Streamlined distribution center and warehouse management from KellyOCG

Maintaining efficiency in distribution centers and warehouses can be daunting, especially when your focus is on your bottom line.

Kelly Outsourcing and Consulting Group (KellyOCG) acts as your strategic partner, aligning resources, processes, and management expertise to help optimize your business results.

Our Business Process Outsourcing (BPO) practice provides customized process and operating models designed to improve efficiency and reduce costs within distribution center and warehouse environments.

As an alternative to a 3PL or manufacturing subcontractor, we'll help you focus on your core competencies as you shift the work outcome responsibility to us. The added advantage of keeping your operation in your facility streamlines transition and increases control.

Everything you need— from one source

- Distribution center and warehouse management
- Materials management
- Logistics
- Fulfillment (pick and pack)
- Shipping/receiving
- Forklift certification programs

Total management

KellyOCG assumes full responsibility for the outcome of your distribution center or warehouse; the liability and ownership become ours. As an onsite partner, we uphold the integrity of your operation, becoming a seamless extension of your team.

Our solutions will improve your distribution center and warehouse operations and allow you to:

- Focus on your core competencies.
- Utilize flexible billing options that are aligned to your business model.
- Maximize your existing facilities, equipment, and technology through our staffing expertise and proven BPO Operating System.

Industry-leading processes

Our proven, world-class people and process management expertise is the foundation of our BPO Operating System. Unlike other total quality programs, the BPO Operating System focuses on results rather than the tool.

For more information on how Business Process Outsourcing from KellyOCG can assist your distribution center or warehouse, visit kellyocg.com today.

BPO from KellyOCG delivers:

- Access to experienced professionals
- Fully automated processes and formalized systems and procedures
- Unbiased equipment and technology evaluations
- Employee retention and productivity programs
- Scalability for seasonal workloads
- I-9 compliance
